

EDTECH FAQ

Q: Does my HuskyCT course have a storage limit?

A: Yes! Each course has a quota of 8GB. All files in your course contribute to this.
(pdf, Word, jpgs, PowerPoint, mp3, jpeg, mp4)

FYI: Deleted files remain in your Content Collection (taking up space) unless you delete them there. Videos take up the most space, and should be stored in Kaltura.

Want to check your quota? **Follow these steps**
