EDTECH FAQ

Q: *How long can students access my HuskyCT course?*

A:
- Once a term officially ends, students can access your course for 2 weeks.

- After 2 weeks, courses become private. Students can see your course, but no longer enter it.

- After 4 weeks, students' course availability is switched to '*NO*'. They will no longer see your course from the Courses tab.

FYI: *Instructors can <u>extend</u> student access.*
(i.e., for students making up Incompletes)
